

Dear Pass Holders,

Although 2021 felt a bit closer to a 'normal' we are accustomed to, unusually warm temperatures and droughts definitely provided us with some unique challenges. Fortunately, here we are on the doorstep of yet another exciting golf season! Through your continued support, we are so blessed to have overcome the adversities that have faced us for the past two seasons. We cannot thank you enough for everything you do to make Northwood Hills such an amazing place to be.

Sure, there's a bit of snow still on the ground, but we're already on the grind, planning and brainstorming for ways to give you a season full of excitement and fun. This season we will be working on some exciting capital improvements to enhance your golfing experience. Some projects will include, renovation of teeing areas and repair and reconstruction of greens. We are still working diligently to find the right personnel to give you the best service possible, so please be patient during our search. If you have any recommendations or suggestions for staffing options, please feel free to send them our way.

The Northwood Hills team would like to thank you again for your past patronage, and we look forward to your continued support for the 2022 season. We love this course and everyone who is a part of it.
