

Dear Pass Holders,

We hope this letter finds you well! Here we are, yet again, on the verge of another exciting golf season! We may sound like a broken record, but we cannot express enough gratitude for everything you do to make Northwood Hills such an amazing place.

Alright, enough sappy stuff, what's on the docket for the 2023 season? PLAY & STAYS! Yep, you read that right! We are currently working on a small development of park models to be able to offer play & stay opportunities right on our beautiful course! Our goal is to develop the right side (nearest 169) of hole 9 into a humble golf getaway oasis. The development should not interfere with play, but please bear with us, should there be some noise or activity going on during the completion of the project.

We are also excited to announce that Brian Schmidt, our former irrigation tech, will be taking the reins as our Grounds Foreman. Brian has grown a great passion for all things golf and has dove head first into the world of turf management. So, if you know Brian or haven't had a chance to meet him, be sure to look for him on the course and say, 'Hello.' We are very excited to begin this new chapter with Brian!

Don't forget, all Season Passes include the following:

- * 20% discount on all non-sale clothing items and an extra 5% off already discounted clothing up to max 40% off

Limited or twilight season pass holders may play outside of your designated times for a discounted rate of \$35 on weekdays and \$45 on weekends for 18-holes with cart. Twilight Season Pass play begins at 2:00pm daily. Season pass holders may make tee times up to seven days in advance.
